

SALZBURG, AUSTRIA

The University of Salzburg

In 1622, Prince Archbishop, Paris Lodron officially opened the Alma Mater Paridiana. The University was maintained by a confederation of 33 Benedictine Abbeys from Southern Germany, Austria, Switzerland and Salzburg until its dissolution in 1810, when Salzburg was annexed by Bavaria. Since its reconstitution in 1962, the University of Salzburg has developed into a modern and lively university. Partly located in the Old City Center and partly in the modern campus near the river Salzach, the University plays a major role in both the cultural and business lives of Salzburg.

Make the World Your Campus!

Housing:

There are no dormitories at The University of Salzburg campus as is common in Europe. The OeAD is an organization in Austria that is designated to administer/ allocate places in student halls of residence and small flats for OeAD grants, Erasmus students, in general exchange students and visiting professors. The OeAD's task is to allocate rooms and small flats in ten student residence halls for the university.

Life in Salzburg:

Free Time in the City of World Heritage and Music Festivals

"Everything here breathes the spirit of pleasure and earthly delights. People dine, dance, make music, love and play with a passion. I have yet to see a city where one can enjoy so much sensual pleasure with so little money," wrote K. Riesbeck in 1783 about Salzburg in his "letters of a Travelling Frenchman. Not a great deal has changed in the more than 200 years since Riesbeck wrote those lines. Salzburg is rich with cultural pleasures in summer and in winter it is laden with traditions that warm the soul and tantalize the senses. Each shop in the Old City, be it a coffeehouse, an old-fashioned tavern, or a contemporary gallery, enchants visitors and locals alike with its unique offerings.
