Housing:

Curtin University offers a comprehensive housing service to its students and staff. Seven residences are located on the Bentley campus (a suburb of Perth, six miles from Perth). The Housing Advisory Service provides students with impartial information about on and off campus housing alternatives.

Curtin University provides almost 1200 rooms on campus. It is for student life opportunities rather than convenience that is the best reason for living **on campus**. Many students make friends from around the world they will have for their whole lives. Curtin University wants you to get involved in residence activities to make the most of your time at Curtin.

Life in Perth:

Perth is the dynamic capital city of Western Australia, the nation's fastest growing State. The city is the premier destination for business, nightlife, culture and the arts. Inner-city living is thriving as more people choose to make their home here. As well as serving more than 18,000 inner city residents, the City of Perth also caters for some 110,000 daily visitors. Perth's Mediterranean climate and booming economy have made it a favored destination.
